

ICE CREAM CONCESSION SPECIFICATION

Before completing this form, please read the Festival terms and conditions below, which together with Environmental Health guidelines and any information given by successful applicants will form a binding contract between both parties and will be strictly enforced.

REQUIREMENTS FOR ICE CREAM CONCESSION

Thursday to Sunday;

Cherry Hinton Hall - 1 x unit outside entrance to Main Arena, 1 x unit inside the Main Arena

Coldham's Common - 1 x unit

Strictly no fuel driven generators/engines for soft ice cream. Each unit will have free access to a 16-amp maximum draw which will terminate in a 16amp Ceeform. Any additional power must be paid for and requested on the application form.

Sunday only, 12pm - 4pm;

Cherry Hinton Hall – 1 x hand barrow, hard ice cream and wrapped products only. Just within entrance to Main Arena for Children's concert. No power provided.

Environmental/Ethical Impact:

We are keen to ensure our environmental footprint is as minimal as possible, we uphold ethical practices and continue to win awards for our high standards. We try to minimise electricity and diesel usage, cut down on waste and increase recycling as well as encourage sustainable forms of transport. Please consider the environmental impact of your travel to the festival and use the minimum number of vehicles possible to travel to the festival by vehicle sharing. If you have the option, please also use the most sustainable form where possible. Please make sure to read the Sessions Café Terms and Conditions and note in particular the 'Environmental Impact & Ethical Practices' clause, this will be strictly enforced if your application is successful.

Terms and Conditions:

Please refer to and read through the 'Ice Cream Concession Terms and Conditions' before submitting an application.
